

SEND Local Offer

What does it mean?

This will explain the support and provision that school offers to those children who have Special Educational Needs & Disabilities.

At St. George`s C of E Primary School we are committed to ensuring that all pupils (regardless of their gender, ethnicity, social background, religion, sexual identity, physical ability or educational needs) achieve their potential in all areas of the curriculum and socially, morally, spiritually and culturally.

This document is intended to give you information regarding the ways in which we ensure that we support children with SEND to realise this potential.

The needs for our pupils will be identified at the earliest possible stage and every effort will be made to maximise potential for learning. We aim to give all the children the opportunity to succeed and improve according to their aptitude and ability in whatever area of the curriculum.

Children with SEND at St. Georges consistently make outstanding progress. We consider this to be a reflection on the quality of the provision we offer to all our pupils.

We strive to provide an Inclusive Education for all.
